Dear Readers,
Greetings!

As always we like to share our news, activities and achievements with you, our friends, to keep you posted on what is happening. Patient's Friends Society- Jerusalem celebrated Mother's Day in March with a lovely "Sunrise Group" lunch at the InterContinental Hotel in Jericho who generously provided the group with a complimentary lunch.

Video Conferencing with Gaza

The Sunrise Group have held two meetings using video conferencing between breast cancer survivors from Jerusalem and the West Bank and breast cancer survivors in Gaza. The aim of these meetings is to exchange information and knowledge. The first session took place on 6th April and the second was on 4th May. We would like to express our thanks and gratitude to Al-Quds Open University for donating the venue and equipment to help make this a success.

Ajyal media interview

In April, a Sunrise Group representative gave an interview with a local radio station, "Ajyal", about her personal experience of coping with breast cancer and the importance of early detection.

Health lecture

The Sunrise Group ladies attended a lecture about "cervical cancer" given by the Health Educator at Family Planning Assoc.

Massage therapist volunteer

Marion from Germany came for two weeks and provided massage therapy for West Bank and Gazan women. We look forward to her returning in January.

New volunteer

Helen Hall from the UK will be working with us for the next few months. *Welcome!*

Health event

In October 2009, the **first breast cancer awareness event in Palestine** was held in Ramallah.
