

# Patient's Friends Society – Jerusalem (PFS)

## OCTOBER & NOVEMBER 2017 NEWSLETTER

### BAZAAR BAYTNA

To Support Cancer Patients and Health Education, hosted by Hebron University. Thousands of people came to the Bazaar and enjoyed the various activities.

### AL-TOR SCHOOL LECTURE PALESTINIAN

We gave an educational lecture on breast health for students, staff and mothers. Cancer survivors shared their experiences.

### ACADEMIC WOMEN ASSOCIATION

A member of PAWA gave a lecture about Vitamin D & blood for our cancer support group members at Baytna, our palliative day care centre in Hebron. We established a network with other organization in Hebron to support health education.

### EDUCATIONAL DAY ON CANCER

Hebron University Students organized a breast health information session at Nahdet Youth Center in Yatta- hosted by Yatta Municipality. Cancer survivors also participated in the event.

### PARTY IN PINK (ZUMBA THON)

A member of our cancer support group "Sunrise Group" participated with YWCA- Jerusalem to speak about their experience in facing Cancer.

## The Jerusalem Civil Society Organizations Fair

We participated in the Fair organized by the United Nations Development Programme (UNDP) and hosted in Dar Al-tifel School – Jerusalem for two days. We distributed our health education leaflets and booklets. It was a pleasure to communicate with the other organizations in Jerusalem and to let them know about us, for future partnerships.
